IDEA 0965
Copy 4 of 4

18 December 1962

MEMORANDUM FOR: Acting Assistant Director, OSA

SUBJECT: SAC OPORD 1009

1. The attached SAC plan has been reviewed by Operations Division and does not conflict with Agency operational procedures. The over-all reaction to the plan, however, is that it will be extremely difficult for SAC to administer and it is questionable whether the intent of the plan will contribute to the reconnaissance effort in the event of war.

2. AFOOP/SA is quite anxious to receive coordination from the Agency on this plan.

Chief, Operations Division, OSA
